

## 2020-2021 District 11 COVID Basketball Plan

The District 11A Executive Committee has adopted the following guidelines for the 20-21 basketball season. These guidelines will be consistent at each District 11 school.

- Gyms will be limited to 50% capacity
- Parents/families and spectators wanting to attend a game will not be admitted without a ticket. Each game will require a separate ticket (i.e. separate tickets for JVG/JVB/VG/VB or JHG/JHB). If there are 4 games, you will need 4 tickets.
- Gyms will be cleared of all spectators between each game and the gym sanitized. Spectators will not be allowed to remain in the gym foyer, but must exit the building.
- No re-entry will be allowed.
- Team players must have a ticket if they plan to sit in the gym for any game other than the one they play in.
- Masks must be worn at all times, except while eating or drinking.
- Tickets will be available at the Admin Building.
