

School Health Advisory Council

Meeting Agenda

November 9, 2017

I. Goal Activities Update

- a. Shoe Lace "Sneaker" Flyer (handout)
- b. Drug and Alcohol Posters
- c. Red Ribbon Report
- d. Hidden In Plain Sight

Minutes: The council discussed and worked on putting together flyers with shoelaces to be distributed to all staff and students as a means to promote alcohol and drug abuse prevention. Mrs. Guetersloh reported Mrs. Stafford had not found any drug and/or alcohol prevention posters she felt were appropriate to hang in the hallways as of yet. The two presentations scheduled for Red Ribbon Week were presented as planned. Mrs. Guetersloh also reported the ADACCV group would travel to Sterling City and present the Hidden in Plain Sight simulation. Scheduling a date, time, and specific details for this event were tabled until the next meeting.

II. Drug Testing Policy

Minutes: (handout) The most current Drug Testing Policy was made available to the SHAC members for previewing purposes.
